

Privacy policy of CLEVELL Sp. z o.o.

§.1 General Provisions

1. The data administrator is CLEVELL Limited Liability Company with its seat in Katowice 40-082, ul. Jana III Sobieskiego 2, NIP: 6342977770; KRS: 0000844815; REGON: 386236999. Data protection is carried out in accordance with the requirements of generally applicable legal regulations, and their storage takes place on secured servers.
2. For the interpretation of terms, a glossary of the Regulations is used or as described in the Privacy Policy (if it results directly from the description).
3. For the purposes of better reception of the Privacy Policy, the term "User" has been replaced with the terms "You", "Administrator" - "We". The term "GDPR" means Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46 / EC.
4. We respect the right to privacy and we care about data security. For this purpose, among others, secure communication encryption protocol (SSL).
5. Personal data provided in the form on the website are treated as confidential and are not visible to unauthorized persons.

§2. Data Administrator

1. The service provider is the administrator of his clients' data. This means that if you have an Account on our website, we process your data such as: name, surname, e-mail address, telephone number, position, place of work, IP address.
2. The service provider is also the administrator of people subscribed to the newsletter and using it from the forms in order to contact the Administrator.
3. Personal data is processed:
 - a.in accordance with the provisions on the protection of personal data,

b.in accordance with the implemented Privacy Policy,

c. to the extent and for the purpose necessary to establish, shape the content of the Agreement, amend or terminate it, and correctly implement the Services provided electronically,

d. to the extent and for the purpose necessary to fulfill legitimate interests (legitimate purposes), and the processing does not violate the rights and freedoms of the data subject: to the extent and for the purpose consistent with the consent expressed by you if you subscribed to the newsletter and used the forms in the purpose of contacting the Administrator.

4. Each data subject (if we are their administrator) has the right to access data, rectify, delete or limit processing, the right to object, the right to lodge a complaint to the supervisory body.

5. Contact with the person supervising the processing of personal data in the Service Provider's organization is possible electronically.

6. We reserve the right to process your data after termination of the Agreement or withdrawal of consent only to the extent to pursue any claims before the court or if national or EU regulations or international law oblige us to retain data.

7. The Service Provider has the right to share the User's personal data and other data with entities authorized under the applicable law (eg law enforcement authorities).

8. Removal of personal data may occur as a result of withdrawal of consent or filing a legally admissible objection to the processing of personal data.

9. The service provider does not disclose personal data to entities other than those authorized under the applicable law.

10. We have implemented pseudonymisation, data encryption and we have introduced access control, thanks to which we minimize the effects of a possible breach of data security.

11. Personal data is processed only by persons authorized by us or the processor, we work closely with.

§3. Cookies

1. The website of CLEVELL.AI Sp. z o.o. uses cookies. These are small text files sent by a web server and stored by the browser computer software. When the browser reconnects with the website, the website recognizes the type of device from which the user connects. Parameters allow the information contained in them to be read only by the server that created them. Therefore, cookies facilitate the use of previously visited websites. The collected information relates to the IP address, type of browser used, language, type of operating system, Internet service provider, information about the time and date, location and information sent to the website via the contact form.

2. The collected data is used to monitor and check how users use our websites to improve the functioning of the website, ensuring more effective and trouble-free navigation. We monitor user information using the Google Analytics tool that records user behavior on the website.

3. Cookies identify the user, which allows the content of the website he uses to be adapted to his needs. By remembering his preferences, he enables the appropriate adjustment of advertisements addressed to him. We use cookies to guarantee the highest standard of convenience for our website, and the collected data is used only within CLEVELL Sp. z o.o. to optimize operations.

a) "necessary" cookies, enabling the use of services available on the website, e.g. authentication cookies used for services that require authentication on the website;

b) cookies used to ensure security, e.g. used to detect fraud in the field of authentication within the website;

c) "performance" cookies, enabling the collection of information on the use of the website pages;

d) "functional" cookies, enabling "remembering" the settings selected by the user and personalization of the user interface, eg in terms of the selected language or region of the user, font size, website appearance, etc .;

e) "advertising" cookies, enabling the delivery of advertising content to users more tailored to their interests.

4. The user may at any time disable or restore the option of collecting cookies by changing the settings in the web browser. Instructions for managing cookies are available at <http://www.allaboutcookies.org/manage-cookies> Additional personal data, such as an e-mail address, are collected only in places where the user has expressly consented to it by completing the form. We store and use the above data only for the purposes necessary to perform a given function.
